Sorry, I am on vacation until August. This is my last email check in until then. Dusty should be able to help.

Thanks, both of you.

Rebecca: if you could let me know what times are convenient to talk, I'll give you a call.

It is a state lead site. Rebecca is the attorney assigned. I can talk with you as well after my meeting at 11.

I am copying her and you can call her as well.

Dusty.

Hi Dustin,

This email is just to follow up on a voicemail I left for you earlier. Region 5 is performing a cleanup with characteristics similar to those in the Exide case in California. If you have time to talk about the site or DTSC's approach to it, I'd greatly appreciate it. The matter is time critical. Thanks!

Best,

Leo
